

My hair is as brown as dirt
and as black as a bear.
My skin is as light as the sky.
My eyes are as dark as a night sky
and as small as a dog.
My ears are like pears.
My heart is like the reddest thing.
My hands are as smooth
as a stone in the mud.
My legs are as bendy as putty.
My stomach is as big as a head.
My voice can be as low as a big, big bell
or as high as a bird chirping.
When I laugh,
it sounds like the howl of a wolf,
and I smile.
