

My hair is as black as the night
and as long as a cat's tail.
My skin is as smooth as a rose petal.
My eyes are as small as almonds
and dark as melted chocolate.
My ears are like koala ears.
My heart is like a woodpecker
pecking on a tree.
My hands are as warm
as the fur of a bunny in the meadow.
My legs are as long as a giraffe's neck.
My stomach is as small as a squirrel.
My voice is as quiet as a mouse
and as shy as a deer.
When I laugh, it sounds like an owl
flying through the night.
My smile is as big as a tiger.
