

My hair is as long as a pony's tail  
and as shiny as a river.  
My skin is as soft as a bunny.  
My eyes are as brown as a cookie  
and as clear as paper.  
My ears are warm like a horse.  
My heart is like  
the drumming of a drum.  
My hands are as cold  
as a polar bear in the winter.  
My legs are as big  
as a deer's legs.  
My stomach is as flat as a frog.  
My voice is big,  
like a lion's voice,  
but can be quiet as a mouse.  
When I laugh,  
it sounds like a witch laughing.  
My smile is as big as a lake.
