

My hair is as shiny as the sun
and as short as a beaver's tail.
My skin is as smooth as a cat's fur.
My eyes are as round as bowls,
and as brown as burrowing owls.
My ears are like bear's ears.
My heart is like the beat
of a woodpecker pecking.
My hands are as long
as a river in the east.
My legs are as long
as a deer's legs.
My stomach is as big as a tiger's.
My voice is like a river
but can be as quiet as a mountain.
When I laugh,
it sounds like a frog.
My smile is as medium
as a monkey.
